Library Report.

To the Citizens of the Town of Gilford:

As the trustees of your public library, it becomes our duty to submit the following report, together with that of the treasurer of the library funds, for the year ending February 15, 1912, for your consideration.

The library now contains 2,256 volumes. Of these, 72 have been added by the town with the annual appropriation, one volume having been donated by Mrs. Mary Hackett. It seems but proper to make mention here of the fact that John Y. Jewett has again paid a year's subscription for the Geographic Magazine.

The librarian's report shows, total number of books loaned the past year, 2,591; the largest in the history of the library, classed as follows: Fiction, 2,518; General literature, 66; History, 1; Art, 4; Poems, 2. Largest number of books loaned in one day, 50. Seventeen new names added to the list of patrons the past year. This, together with the fact that the number of volumes loaned exceeds that of last year by 566, proves conclusively that the interest of the resident and non-resident people is increasing. We hope that our citizens will still continue to interest themselves in the books and magazines.

We are sure it will be found a fine help along the educational pursuits of the young, if they would avail themselves of the help which is to be obtained from the books classed as history, art and poems, which seem to be somewhat neglected at present.

Our libraries all over the land stand for higher ideals, better citizens. Let us try and keep this in mind and be ready with support when the library has outgrown the pleasant room it now occupies, which will not be far distant, judging by the small amount of room there was this year for the new books.

School Report.

SCHOOL DISTRICT OFFICERS.

Moderator, Thomas E. Hunt.

School board, Julia M. Rand, Lizzie A. James, Howard M. James.

Treasurer, Charles P. Hunt for two months; Fred J. Potter for ten months.

Truant officer, Ahira H. Bacon.

Auditors, Ansel B. Sawyer, Louis E. Roe.

To the Citizens of Gilford School District:

The school board and treasurer respectfully submit their annual report. The truant officer enrolled 114 scholars in the September enumeration.

The number of schools supported the past year have been nine, of thirty weeks each, and lost time has been made up in Nos. 4 and 10.

No. 9 school was open ten weeks and one day, then was closed and the children carried to No. 8 school.

Realizing the fact that the expense of the schools is one of the largest in our town, we are pleased to be able to report that we are satisfied that progress has been made in every school. Most of the teachers have sought to bring their schools up to a higher standard and we are glad to say good results have been accomplished. As far as possible experienced teachers have been employed.

We would earnestly recommend parents to have the scholars regular in attendance throughout the entire school year. Absence not only deprives the scholar of the privilege of education, but causes the district to pay for that which it does not receive. We would urge the parents to visit the schools more frequently as encouragement to teachers and pupils.

We wish to thank all who have helped to make the school year a success.

As required by law, P. S. :2, as changed by 52, laws 1909, we submit the following amounts to be assessed by the selectmen for the coming year:

For school books and supplies, \$150.00.

For flags and appurtenances, \$5.00.

For tuition, \$200.00.

These items do not require a vote of the district.

Following is the statistical table, roll of perfect attendance and financial report :
